Volume 1, Issue 2 - October 2010

Message from Founder/CEO ADELE ANN TAYLOR

Has 6 months gone by this quick already? It seems like May was just a couple weeks ago when A.L.L. created its first newsletter. My team and I have received numerous positive feedback from our initial newsletter and our goal is to continue to make this one of many useful tools for YOU – our supporters! As mentioned in our May issue, beginning in 2011, our bi-yearly newsletter will be published every January and June, and will automatically be mailed to our ALL Preferred Club members. If anyone is interested in becoming an ALL Preferred Club member, please e-mail us at Read@AdelesLiteracyLibrary.org for details.

As most of you may already know, Adele's Literacy Library® was founded in December 2008. Adele's Literacy Library's® mission statement is to instill and empower that reading is not just fundamental, but the key ingredient to success and through reading ALL things are possible. My team and I are very PROUD that A.L.L. has successfully donated thousands of new books and bookmarks to several organizations, such as The Ronald McDonald Houses, The United Way of Camden County, Planned Parenthood of Southern New Jersey, The Boys & Girls Clubs, Read Now programs, schools, libraries, day cares, my church, and various other worthy organizations. Another way I promote literacy is hosting "Storytelling with Adele" which allows me to interact with my audience, while reading to them. In particular, I love watching the smiles on faces of children, as the majority of them become so engaged in the book I'm reading to them. I get such a good feeling all over knowing that I am "making a difference" in someone's life – plus giving back to my community is an added bonus.

During this time, I would like to say THANK YOU to the many dedicated supporters of Adele's Literacy Library®. I truly appreciate your continuous support in the name of literacy and truly, could not continue without your support. With your donations, we are growing readers, one book at a time.

Ready to read ALLways,
Adele Ann Taylor
